Traditional Children's Game Songs, Stories and Singalongs

◀ 2

Authentic children's songs, singing games and stories from American, European and African traditions offer young wigglers an unparalleled opportunity to connect with their own heritage, and that of other cultures. This is time-tested fun for the youngest audiences, from the days when children were responsible for entertaining themselves!

Ages 3-7, 30 minutes

“Wonderful sing along!! The children enjoyed it so much and the staff have just raved about it!”

— Priscilla Maddock, Co-Director, Westminster Early Childhood Program, Buffalo NY
